## Minnesott Golf & Country Club (MGCC) Rules & Regulations

These regulations are published by the Board of Directors to achieve, in an orderly manner, the widest use of club facilities by the greatest number of members.

These regulations are published under the authority of Sections 5 & 6 of the corporation's Articles of Incorporation, filed with the Secretary of State on September 8, 1967 and Articles of Amendment, filed with the Secretary of State March 1, 1968. They are subject to amendment by the Board of Directors.

## Section I- Membership, Definitions

### A. Membership Types - Privileges & Responsibilities

1. Family Golf Membership – This provides unlimited use of all MG&CC Golf and Social facilities, including minimal Golf fees for the Primary Member and Co-Member (usually a spouse), and the named dependents (as so classified by the Internal Revenue Service). Membership Privileges and Responsibility are shared by the Primary and Co-member; only one vote is allowed per membership, and Primary and Co-member are not eligible to hold office as a director at the same time. Transfer of Primary membership to the Co-member becomes automatic in cases involving (a.) death of the Primary member, or (b.) termination of the Primary member, provided that the co-member makes good any debt owed the club by the terminated Primary member. Other transfers of Primary and Co-membership are allowed by BOD approval only.
2. Individual Golf Plus Membership – This provides unlimited use of all MG&CC Golf and Social facilities, including minimal Golf fees, for only the Primary Member. The Primary member bears the Privileges and Responsibility of membership, has one vote in elections, and is eligible to hold office as a director. Named family members have use of the other club amenities (pool, Social events, etc.), and may use the Golf facilities as Guests of the Primary Member at Guest Golf and Cart Fee rates.
3. Individual Golf Membership - This provides unlimited use of all MG&CC Golf and Social facilities, including minimal Golf fees, for only the Primary Member. The Primary member bears the Privileges and Responsibility of membership, has one vote in elections, and is eligible to hold office as a director. Any family members must be treated as guest of the member, accompanied by the member, if appropriate, and the member must pay guest fees for each.
4. Young Adult/Family Golf Membership – This membership applies to person or persons and their partner or spouse who are both under the age of 39. Rights and privileges of Young Adult/Family memberships are the same as that of a “Family Golf Membership” except that such members must be at least 21 years old in order to have voting rights and hold an elective office. This special membership program is a 2-year membership commitment with a one-time \$100 initiation fee.
5. Social Membership - This membership is intended for persons who do not plan to make regular use of the golf facilities. Social Membership provides unlimited use of all MG&CC Golf and Social facilities for the Primary Member and Co-Member (usually a spouse), and the named dependents (as so classified by the Internal Revenue Service). Membership Privileges and Responsibility are shared by the Primary and Co-member. Unlimited use of the golf facilities require payment of “Visitors” green and cart fees. A social member has no vote; however a maximum of one (1) seat on the Board of Directors may be held by a Social member. Transfer of Primary membership to the Co-member becomes automatic in cases involving (a.) death of the Primary member, or (b.) termination of the Primary member, provided that the co-member makes good any debt owed the club by the terminated Primary member. Other transfers of Primary and Co-Membership are allowed by BOD approval only.

6. Water Aerobics Membership - This special Water Aerobics Membership, is for the summer pool season only (June, July, & August) and provides use of the outdoor pool only on designated days and times for the Water Aerobics Only. (Membership is necessary due to certain liability and ADA compliance regulations.) These memberships are offered only if and when volunteer Aerobics Instructors are available. Water Aerobics Members are responsible to honor the limits of the Aerobics period. The days and times may vary from year to year depending on the instructors.
  
7. Special Memberships
  - A. Honorary: The board may create special honorary memberships
  - B. Ex-Officio: The Board may grant such memberships to full time employees
  
  - C. Lifetime Memberships: Four specific membership agreements were executed on October 15, 2014 and additional Lifetime Memberships may be granted by the Board upon Board approval.

***B. Membership cards are issued and defined below for:***

1. Primary Member (Primary Member in Golf and Social Memberships).
2. Co-Member (spouse or partner of Family Golf, Young Adult/Family Golf, or Social primary member)
3. Dependent Member
4. Social Member

***C. Termination of Members***

By action of the Board of Directors, a member can be terminated if said member fails to abide by the rules and regulations of the club. If this failure involves financial obligations, the terminated individual has no recourse. Otherwise, the individual has the right to appeal at a meeting of the general membership.

***D. Delinquency*** - After 30 days, delinquent members will be sent a notice of dues overdue. After 60 days, delinquent members must become current or pay visitor fees. After 90 days, non-payment of past dues will result in suspension of membership.

1. FOR LAPSED MEMBERSHIPS – Payment of all lapsed dues (at the rate of the dues missed) or Initiation Fee of \$1000 plus the first month's current dues. If the Initiation Fee option is used, the Board of Directors must approve the membership before it is effective.
2. FOR LAPSED MEMBERSHIPS WHERE AN ASSESSMENT IS OWED ON THAT MEMBERSHIP – Payment of any assessment is required, plus payment of lapsed dues (at the rate of the dues missed) or Initiation Fee of \$1000 plus the first month's dues. If the Initiation Fee option is used, the Board of Directors must approve the membership before it is effective.
3. FOR LAPSED MEMBERSHIPS UNDER A CONTRACT ARRANGEMENT – When the provisions of the contract have not been fulfilled for the exchange of a waiver or reduction in the Initiation Fees, full Initiation Fees will be assessed. The option of a future contract arrangement for the waiver or reduction of the Initiation Fee is not available. If any assessment or bill is owed

under the lapsed membership it shall be paid as a condition for membership reinstatement. The Board of Directors must approve the membership before it is effective.

4. FOR MEMBERS WHO RESIGNED – If the resignation was submitted before any special assessment was levied the assessment plus back dues can be paid and the membership resumed, OR the assessment paid and the 2-year contract provision may be used to reinstate the membership. Under the 2-year contract provision the Board of Directors must approve the membership before it is effective.

***E. Medical Relief*** - From time to time, a Primary Member or Co-member may become incapacitated because of medical concerns. The BOD has instituted a Medical Relief Policy that stipulates up to three months may be granted (upon BOD's approval), for the member who has his/her doctor outline in writing the medical condition. If approved, the Membership status during this period is converted to a Social Membership with the lower dues amount applied. Use of the club, Privileges and Responsibilities of membership are then on the basis of a Social Membership during the period of Medical Leave. Extensions may be requested and may be granted with further approval. (Note: In the case of Family Golf or Young Adult/Family Golf Membership, such relief will not be authorized if the Co-member continues to exercise the Golf Privilege.)

## Section II- Annual Meeting and Special Member Meetings

The annual meeting of the membership is held on the last Sunday of February. This date may be changed by the Board of Directors. Notices of this meeting and special Member Meetings are mailed or e-mailed to each member at least ten days but not more than fifty days prior to the meeting and are posted on the web site Minnesottgolf.com calendar in the member login area. At the annual meeting, successors to the directors whose terms expire are elected for a term of three years. A nominating committee may be appointed by the Board of Directors. Absentee voting is permitted by use of a ballot provided by the club.

At the annual meeting, the BOD summarizes the events of the past year. Members are free to make recommendations; however, such action is not binding on the directors.

Immediately following the annual meeting, the newly constituted Board of Directors meets to elect the officers of the club. A vacancy on the board may be filled by the board by appointment and a member of the board may be removed as a director by vote of the board. The membership has no right of recall of an elected or appointed director.

The Board of Directors has management and control of the business, property, and affairs of the corporation, subject to the corporation's charter, by-laws, and the North Carolina statutes pertaining to nonprofit corporations.

## Section III- Grievances

If a member has a grievance or question of club policy, the member should contact the Pro/manager. If not resolved, the member should contact the president or vice president. If still not resolved, the member may bring the issue to the Board of Directors.

## Section IV – Change in Membership Designation

Selection of membership type (Family Golf, Individual Golf Plus, Individual Golf, Young/Adult Family Golf, or Social) can be changed each year during December for the next year (subject to added initiation fees if upgrading). Any changes desired at any other time will require written request to the BOD stating the reason for the change, and be subject to acceptance, rejection and/or a requirement to pay additional initiation fees by the BOD based on its merits and other Club Policies. Under no conditions will already paid initiation fees be refunded.

## Section V – Guests and Visitors, Definitions and Rules

This section covers the use of club facilities and attendance at club functions by persons not classified as members of the club.

**A. Local Resident** - To encourage local residents to share in the financial responsibility of the club by becoming members, it is necessary to restrict the Guest and Visitor privileges of such persons. Thus, persons who are defined as "local residents" may use the club golf facilities only twice per year unless they are a spouse, partner or dependent of a member.

"Local resident" as defined by the club is anyone who has a residence in Pamlico County (whether owned or rented), which is a primary, full-time residence or a secondary, part-time residence (such as a vacation home that may or may not be rented from time to time.)

### **B. Other Guest Restrictions**

1. Club House Events - Guests at Club House Events must be accompanied by a member. There are no other restrictions. (This restriction does not apply when the club house is rented for outside events.)
2. Semipublic golfing activities - The local guest rule is waived for Board sanctioned semipublic activities such as prescheduled golf tournaments, or tournaments sponsored by outside organizations.

## Section VI- Member and Guest/Visitor Fees

### **A. Member Fees**

1. Initiation fees are set by the Board of Directors. The initiation fee is due in full with the application for membership. Initiation fees for full golf memberships may be paid in installments by adding \$50 to the monthly dues; Young Adult/Family Golf memberships may add \$25. When the Young Adult/Family Golf member or associated co-member attains age 30, the balance of the initiation fee, if any, is due.
2. Annual and Monthly dues are set by the Board of Directors. The dues are payable in advance by the 1st day of each month. The dues may be set up to be charged to a credit card or bank draft automatically each month (such action also allows a member to have a club charge account if so desired). Dues may be paid through the end of the year, in advance, at any time for a discount as defined by the BOD on the advanced dues paid.

## B. Guest and Visitor Fees

1. Greens fees are set by the Board of Directors. Special fees may be granted by the Board for use of the golf course by members of neighboring clubs with which there is a mutual agreement.
2. Swimming and Fishing fees are set by the Board of Directors. Fishing is permitted in designated areas only. Check-in with the Pro/Assistant is required to determine which areas are open.
3. Children must be under the direct supervision of an adult.
4. Visiting PGA golf professionals and golf course superintendents are extended play with both green and cart fees provided free of charge. Assistant professionals, assistant superintendents and professional caddies are extended green fees free of charge.

## Section VII – Dress

At all times, proper clothing must be worn in the Club House, Live Oak Grill, and on the golf course. Proper clothing includes the wearing of a shirt and shoes.

- Men:                   Slacks or Bermuda-length Golf shorts  
                              Collared shirts / mock turtleneck Golf shirts  
                              Tee shirts with sleeves are acceptable
- Women:               Slacks or Bermuda length Golf shorts / skorts  
                              Collared / sleeveless Golf shirts  
                              Collarless Golf shirts are acceptable

The following specific items of apparel are not acceptable: clothing with indecent pictures or messages and tank tops. Bathing suits are not proper attire except in the pool area.

Management has the authority to deem attire inappropriate and refuse golf / club privileges.

## Section VIII- Conduct of Members and Guests

All persons will conduct themselves in such a manner as not to annoy or offend other persons. Loud, abusive, or offensive language is not permitted. Infractions of the rules and regulations should be reported to the Management, the Pro or his/her assistant. It is the duty of all members to remind the individual that such infraction is not tolerated. It is the duty of the Pro, his/her assistant, or any BOD Member to demand any member or guest to leave the club's premises if such person continues to act in a manner contrary to accepted standards. Severe cases of infraction of the rules and regulations should be referred to the Board of Directors.

## Section IX- Smoking & Consumption of Alcoholic Beverages

- A. The clubhouse, pool house and cart shed have each been designated as "No Smoking" areas.

- B. All alcoholic beverages must be purchased on site for consumption on site.
- C. Consumption of alcoholic beverages does not excuse members from their responsibilities as stated in Section VIII - Conduct.

## Section X- Use of Ballroom for Club Sponsored Events

The Golf Pro or Club Manager must be notified in advance in order to arrange scheduling, preparation, and cleanup for club or Member sponsored events that require use of the ballroom. (*Sponsors or sponsoring member are responsible for clean-up.*) Consult the Golf Pro or Club Manager regarding specific policies, procedures and fees.

## Section XI- Use of Facilities for Non-Club Sponsored Events

The scheduling of non-club sponsored events must be done in a manner that will minimize interference with the general membership's use of such facilities. Prior approval must be obtained from the Board of Directors (or delegated authority such as the Golf Pro or Club Manager) for any event that would prohibit members from using the facility. This is particularly true for non-club sponsored golf tournaments, but also applies to swimming pool and club house events. The Golf Pro or Club Manager may schedule non-club sponsored events at the swimming pool and the club house, if such use will not interfere with normal member use. Charges for the use of club facilities are established by the Board of Directors.

## Section XII- Use of Golf Course

All players should be familiar with and conform to the rules and etiquette of golf to insure: safety of all individuals; maintenance of the course; and maximum enjoyment of the game by all members and guests. If there is a question as to proper procedure, the Pro and his/her assistant should be consulted. His interpretations of the rules and regulations must be observed. The USGA rules govern play of the game. The Pro/Assistant may prescribe local rules for tournament play.

- A. Registration - All players, members and guests, must register and pay at the Pro Shop before starting play.
- B. Closing of the Course - At the discretion of the Pro/Assistant or of the Maintenance superintendent, all or any part of the course may be closed due to weather or maintenance.
- C. Practice - Practice is limited to the driving range, the practice putting green and/or practice sand trap. Users of the driving range must consider the safety of players on hole #10. The course may not be used as a practice area with more than one ball in play per player.
- D. Practice Green - Players should take special care to help maintain this putting surface. Children under age 12 years are not permitted on the practice green unless supervised by an adult. Persons traveling from the Pool to the Club House should not walk on the practice green.
- E. Use of Course by Children - Children less than 12 years of age are not permitted to play on the course unless directly supervised by an adult. A child under the age of 16 years is not eligible for play in golf tournaments other than those specifically for children. An exception may be made for a child with a handicap of 18 or less.

F. Turf Damage on Fairways and Greens – Soft spikes are required on the course. Divots on fairways must be repaired. Extra sand is located on holes # 1, #10, #15 and on par 3's to fill sand bottles. Ball marks on greens must be repaired. Consider the golfers playing behind you.

G. Waving Through - Slower players must let faster players through if the hole in front of them is open. The rule applies regardless of the number of players in either group or whether walking or riding carts except for a single player who, in accord with the rules of golf, has no rights on the course. Players looking for a lost ball should promptly wave the next group through - it is not necessary to wait 5 minutes.

H. General Course Usage - The golf course and paths are for golf use only. They are not for recreational walking, jogging, bicycle riding, dog walking, scooters, skates, etc.

I. Starting Procedures - During times of heavy play, the person in charge at the Pro shop may require that only foursomes be allowed. At all times, permission must be obtained at the Pro shop for all groups having less than two **or more than four players**. In normal play, players start on #1 tee and have priority on #10 tee after completing 9 holes. At no time shall a player start on any other hole without prior permission from the Pro or his/her Assistant. Unless granted an exception by the Pro or his/her Assistant, each player shall use a separate set of clubs.

## Section XIII- Use of Carts

A. Power Carts - Power cart fees are set by the Board of Directors. Renters of carts are fully responsible for their operation, including any damage that is incurred and for any injury that results from improper use. The carts are never to be driven onto Tee areas or onto Greens. Power carts should not enter fairway until you are past the forward most tee box (Silver tee) and must leave the fairway at the Turn Out markers approximately 50 yards short of each green. Keep all four tires of the cart on the paved path around Tees and Greens. They should be kept on cart paths on all par threes at all times. Carts are not permitted in areas that are roped or otherwise blocked off or that has signage that indicates "no carts". Carts should never be driven in wet areas, usually obvious, or if tracks are seen, exit area as quickly as possible. No child under the age of 16 is permitted to operate a power cart. The capacity of each cart is limited to two persons.

### B. Personal Golf Carts –

(1) Use of personal golf carts on club property is limited to members only. Such use is a privilege granted by the Board of Directors on an individual basis. The Board of Directors reserves the right to limit the total number of personal carts.

(2) All members using personal carts must sign a statement releasing the club of liability and assuming liability for any damages that may result from the use of the cart.

(3) All personal carts must be inspected by the Pro/manager and approved for "Restricted" or "Unrestricted" use. Restricted carts can be used only for transportation to the clubhouse or pool and must be parked in designated parking spaces. Travel to and from the club or pool with restricted carts is permitted on the cart paths and on individually approved access routes to the paths.

(4) Golfers using personal carts must pay trail fees as established by the Board of Directors. In addition, the Board may assess monthly dues specifically for this privilege. All personal carts used on the course must be approved for unrestricted use and are subject to the regulations established for the use of club carts (ref. Section XIII, paragraph A)

C. Handicap Carts - For those with a handicap that limits walking from the cart path to their ball, courtesy handicap flags are available from the Pro/Assistant upon request and with proof of a problem. These flags must be displayed on the cart at all times when on the course. If there are two in a foursome needing a flag, ride together, putting only one cart on the undesired areas. As with regular carts, carts with flags should not enter fairway until you are past the forward most tee box (Silver tee); carts with flags are allowed inside the turn out markers, however, never closer than 50 feet from the green surface and certainly never on the slope up to the green or the closely cut area around the green. If an area is roped off, has signage that indicates "no carts" or you are on a par 3, even flagged carts are not permitted. If you cannot walk to your ball on the other side of the fairway, have a team member get it and you hit from the same distance on the cart path side. Golf requires a little walking, select your club and walk to the ball, using common sense.

D. Hand Carts - Hand carts may be used at all times by members and their guest. The club has a few available for rental. Hand carts are not to be placed on or pulled over tee boxes or greens and are to be kept at least 10 feet away from the green surface at all times.

## Section XIV- Use of Swimming Pool

A. Hours of Operation and Guest Fees - The hours of operation will be announced when the pool is opened each season. All members and their named dependents (as defined by the IRS) may swim for free. Fees for guests are set by the BOD and must be paid by the Member. The Member is fully responsible for the conduct of his/her dependents and/or guests. Guests may not invite other guests. (See Attachment I for rules regarding usage by adult children of members and other details that might change yearly.)

B. Supervision - The club does not provide supervision or life guards for the pool. All members are responsible for their own safety and conduct and for the safety and conduct of their guests. Children under the age of 16 are not allowed in the pool area unless supervised by a responsible adult. *Swim At Your Own Risk.*

C. Identification - All Members must register their guests and pay applicable fees for the use of the pool at the clubhouse. All members and dependents 16 years and older must be able to produce a picture ID. Wrist or ankle bands are required for identification by the Pool Monitor.

D. Conduct - Proper conduct is mandatory to assure the safety and enjoyment of members and guests who use the pool. Posted rules regarding abusive language, use of swimming aids, throwing objects, running, and "horse play" must be observed. Diving into the pool is especially dangerous and is prohibited. *Members are reminded that they are responsible for their guests.*

E. Beverages - A water fountain is available in the pool area. Other drinks and snacks are available from the Walk-up window at the grill. For the safety of all users of the pool area, no glass bottles, drink containers or other glass objects are permitted. All alcoholic beverages must be purchased on site.

F. Dress - Bathing suits are acceptable as proper attire only in the pool and beach areas and when moving between these areas, the parking lot and the Walk-up window at the grill. Swim suits are not acceptable attire for entering the Grill, Pro Shop or Club House.

G. Practice Green - The practice green is for the use of golfers. Please do not walk over this green when walking between the pool area and the club house.

H. Pool Closure - The pool may be closed for inclement weather or for maintenance. The pool must be evacuated immediately when thunderstorms are near. **If you hear thunder - leave the pool.**

I. Pool Rental - The pool is available for rental by members for private parties after normal hours each day during the season. The Board of Directors establishes conditions of use and sets fees as required. Schedule your event through the Pro Shop.

J. Pool Rules of Operation – Annually, Pool Rules are issued by the Board of Directors and its designated Pool Committee. These additional rules are incorporated in Attachment I.

## Section XV- Use of Lakes

A. Fishing - Members and their guests may fish in designated areas around the lakes **after registering at the Pro Shop**. As stated in Section III B (3), children may not fish unless accompanied by an adult member. There is absolutely no fishing near the Tee Boxes of hole #1, or from the causeway between holes #1 and #9.

B. Boating - No boats are permitted on the lakes except for maintenance.

## Section XVI- Use of the Neuse River Beach Area

Persons using the beach area do so at their own risk. No supervision is provided. The Neuse River beach area, between the water's edge and the Rip-Rap, is available for member use. There is an access stairway on the west side between the townhouses and the marina canal. The townhouse yards and the beach area on the west end of the townhouses are private property and not available for member use. Members are responsible for the conduct of guests and the clean-up of the area after use.

## Section XVII- Hunting and Trapping

Guns are not permitted on club premises. Trapping is not permitted except when under the direction and direct supervision of the Maintenance Superintendent.

## Section XVIII – Use of the Boat Ramp and Parking Area

The Boat Ramp is for use by Members only and a member must be present at all launching and loading. Keys are available to members upon request from the Business Office or the Pro Shop for a refundable deposit, the amount of which will be determined by the Board of Directors.
