

PLAY GOLF!!!

How well you play is not important.

What is important is to get out there and have fun.

The Minnesott MGA invites all golfers to join and have a good time with friendly competition and camaraderie.

Other Groups

Although not associated with the MGA, there is an informal men's group that plays Monday, Wednesday, and Friday mornings starting at 9 AM in the winter and at 8 AM in the summer.

In addition, there is a Men's Shootout on the same days starting at 10 AM in the winter and around 9 AM in the summer.

Both groups are inclusive of new participants and all are welcome. Carts and walkers are welcome in both groups.

The early group has a causal format and usually plays 10 cent "skins" per hole, playing off the low handicapper in the group.

The later group is also casual in format and usually plays "Blitz points", with teams and pairings chosen mostly randomly. A \$4 dollar pot is divided by the winning teams per each 9 holes

and on Fridays, an additional \$2 is split on each nine for closest to the hole on chosen par 3s.

No tee time or notification is necessary to play in either group. Just show up 15-30 minutes ahead of time or phone to be included. Terry or one of the guys will be there to introduce you to the regulars. Be prepared to listen to the ribbing.
